IMPORTANT ACCOUNT INFORMATION

NEW YORK CITY CUSTOMERS ONLY -- Pursuant to New York City regulations, we request that you contact us at 1-800-TO WELLS (1-800-869-3557) to share your language preference.

Tax Season Reminder: Wells Fargo delivers tax documents - either by mail or online depending on your delivery preference - no later than January 31 or by the IRS deadline of February 15 for brokerage accounts. Depending on the U.S. Postal delivery service, you should expect to receive your tax documents no later than the end of February. You can update your tax document delivery preferences by visiting Wells Fargo Online®.

The Internal Revenue Service (IRS) requires Wells Fargo to report information regarding the amount of interest, dividend or miscellaneous income earned as well as gross proceeds from sales by providing you with various IRS Forms 1099 based on the different types of transactions that occurred in your account during the calendar tax year (the IRS reportable threshold). For example, if you have interest or dividends in the amount of \$10 or more during that timeframe, you will receive a Form 1099-INT from Wells Fargo.

For more information, visit Wells Fargo Tax Center at <https://www.wellsfargo.com/tax-center/>.

Can we reach you when it's really important?

Don't miss suspicious-activity alerts and critical account information. Please make sure your contact information is current by:

- Signing on to wellsfargo.com or the Wells Fargo Mobile® app and navigating to the Update Contact Information page via My Profile
- Contacting the phone number at the top of your statement
- Visiting a branch

Please note: Your account has an ending balance of zero as of the date of this statement. Accounts with a zero balance will continue to be charged applicable fees (like the monthly service fee) until you request to close your account. We may close an account with a zero balance on the fee period ending date or at month end without prior notification to you. Once an account is closed (either by you or us), no fees will be assessed on the account.

- To prevent closure by us without notification, an account with a zero balance must have a qualifying transaction posted within the last two months of the most recent fee period ending date.
- Examples of qualifying transactions are deposits and withdrawals made at a branch, ATM, online, mobile, or via telephone; one-time and recurring transfers made at a branch, ATM, online, mobile, or via telephone; automatic or electronic deposits, such as from payroll or government benefits; automatic or electronic payments, including Bill Pay; one-time and recurring purchases or payments made using a card or mobile device; and checks paid from the account.
- Bank-originated transactions, like monthly service or other fees, are not considered qualifying transactions that will prevent closure of an account with a zero balance.
- If you do not plan to keep this account, we encourage you to redirect recurring deposits and payments to another account.

Wells Fargo Bank, N.A. may furnish information about deposit accounts to consumer reporting agencies. You have the right to dispute the accuracy of information that we have furnished to a consumer reporting agency by writing to us at Overdraft Collection and Recovery, P.O. Box 5058, Portland, OR 97208-5058. Please describe the specific information that is inaccurate or in dispute and the basis for the dispute along with supporting documentation. If you believe the information furnished is the result of identity theft, please provide us with an identity theft report.

■ **If your account has a negative balance:**

Please note that an account overdraft that is not resolved 60 days from the date the account first became overdrawn will result in closure and charge off of your account. In this event, it is important that you make arrangements to redirect recurring deposits and payments to another account. The closure will be reported to Early Warning Services. We reserve the right to close and/or charge-off your account at an earlier date, as permitted by law. The laws of some states require us to inform you that this communication is an attempt to collect a debt and that any information obtained will be used for that purpose.

1. Tell us your name and account number (if any).
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will credit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.
